Ideas

What are your goals for WORT?

To expand our presence and awareness in the community and with the youth to continue the legacy of WORT

What do you see as WORT's major responsibilities to the community?

To give the community a wide array of listening choices and information about the community

There are many areas where WORT could improve and many new activities WORT could undertake. Please list specific tasks on which you would be willing to work.

Community outreach geared towards the youth

Why do you wish to be on WORT's Board of Directors?

To have a better knowledge of the intricate workings of the station and to bring fresh and innovative ideas to the station as a whole

The Board currently meets monthly on a Wednesday night. Meetings are scheduled at 7:00 p.m. and may finish as late as 11 p.m.. Are you able to regularly attend Board meetings?

Yes

WORT's Board is an active participant in station affairs. Board members do committee work and participate in pledge drives and other fundraising events. Board members are expected to commit to five to ten hours a month in addition to meetings. Roughly estimate the time you have available for work in addition to Board meetings.

I can definitely commit to fulfill those and any other needs
