2021 BILL

1 **AN ACT** *to amend* 6.86 (2) (a), 6.86 (2) (b) and 12.60 (1) (a); and *to create* 12.13
2 (3) (ig) of the statutes; **relating to:** status as an indefinitely confined voter for
3 purposes of receiving absentee ballots automatically and providing a penalty.

Analysis by the Legislative Reference Bureau

Current law allows a voter who is indefinitely confined because of age, physical illness, infirmity, or disability to have, by signing a statement to that effect, an absentee ballot sent to the voter automatically every election. The voter is not required to submit a copy of his or her voter identification with the request to receive absentee ballots automatically, but is required to notify the municipal clerk when the voter is no longer indefinitely confined.

This bill does all of the following:

1. Requires that the voter's statement claiming that he or she is indefinitely confined be made under oath.
2. If the voter is under the age of 65, requires that the voter's statement be signed by a physician, physician assistant, or advanced practice registered nurse who has primary responsibility for the treatment and care of the voter.
4. Specifies that the existence of an outbreak or epidemic of a communicable disease in a voter's community does not qualify the voter as indefinitely confined.
5. Provides that a voter's status as indefinitely confined is removed every two years unless the voter submits a renewal application.
6. Specifies that the penalty for making a false statement for the purpose of qualifying as indefinitely confined is a Class I felony, which is a fine not to exceed \$10,000 or imprisonment not to exceed three years and six months, or both.

BILL

6. Requires the Elections Commission to facilitate the removal of the indefinitely confined status of each voter who received that status between March 12, 2020, and November 6, 2020. A voter whose indefinitely confined status is so removed must submit a new application for indefinitely confined status in order to continue receiving absentee ballots automatically.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 6.86 (2) (a) of the statutes is amended to read:

2 6.86 (2) (a) An elector who is indefinitely confined because of his or her age,
3 physical illness, or infirmity or is disabled for an indefinite period may by signing a

6 elector under oath or affirmation. If the elector is under the age of 65, the statement
7 shall be signed by an attending health care professional, as defined in s. 154.01 (1r).

8 The application form and instructions shall be prescribed by the commission, and
9 furnished upon request to any elector by each municipality. The envelope containing
10 the absentee ballot shall be clearly marked as not forwardable. If any elector is no
11 longer indefinitely confined, the elector shall so notify the municipal clerk. The
12 existence of an outbreak or epidemic of a communicable disease in an elector's
13 community does not qualify the elector as indefinitely confined for purposes of
14 receiving absentee ballots automatically under this subsection.

15 **SECTION 2.** 6.86 (2) (b) of the statutes is amended to read:

16 6.86 (2) (b) The mailing list established under this subsection shall be kept

BILL

1 ballot received under this subsection, or if 2 years have passed from the date on which
2 the elector last applied to receive absentee ballots automatically under this
3 subsection, the clerk shall notify the elector by 1st class letter or postcard that his
4 or her name will be removed from the mailing list unless the clerk receives a renewal
5 of the application within 30 days of the notification. The clerk shall remove from the
6 list the name of each elector who does not apply for renewal within the 30-day period.
7 The clerk shall remove the name of any other elector from the list upon request of the
8 elector or upon receipt of reliable information that an elector is no longer qualifies
9 for the service indefinitely confined because of age, physical illness, or infirmity or
10 is no longer disabled for an indefinite period. The clerk shall notify the elector of such
11 action not taken at the elector's request within 5 days, if possible.

12 **SECTION 3.** 12.13 (3) (ig) of the statutes is created to read:

17 (a), (e), (f), (j), (ig), (k), (L), (m), (y) or (z) is guilty of a Class I felony.

18 **SECTION 5. Nonstatutory provisions.**

19 (1) The elections commission shall facilitate the removal, no later than the first
20 day of the 3rd month beginning after the effective date of this subsection, from the
21 mailing list maintained under s. 6.86 (2) of each elector who applied for automatic
22 receipt of absentee ballots under s. 6.86 (2) (a) during the period beginning on March
23 12, 2020, and ending on November 3, 2020.

2021 BILL

1 **AN ACT to amend** 7.30 (3) (a) and 12.60 (1) (a); and **to create** 7.30 (7), 12.085 and
2 12.13 (3) (zp) of the statutes; **relating to:** private resources used for election
3 administration, appointment of election officials, and providing a penalty.

Analysis by the Legislative Reference Bureau

Under this bill, no official or agent of a county, city, village, or town may apply for or accept any donation or grant of moneys, equipment, materials, or personnel from an individual or nongovernmental entity for purposes of election administration, except as expressly authorized under the statutes relating to elections. If the Elections Commission accepts a donation or grant of moneys from an individual or nongovernmental entity for purposes of election administration, the commission may not expend those moneys, except as follows:

1. The commission must distribute the moneys to each municipality in Wisconsin on a per capita basis, subject to an exception for distributions that would result in any municipality receiving less than \$25.

2. The commission may expend the moneys only as approved by the Joint Committee on Finance.

Under the bill, whoever violates one of the prohibitions described above is guilty of a Class I felony, the penalty for which is a fine not to exceed \$10,000 or imprisonment not to exceed three years and six months, or both.

The bill also makes it a Class I felony for any person to assist in counting or tabulating votes at an election unless the person is a resident of this state, is a tabulator or election official who is trained to the extent provided by law, and has

BILL

signed the official oath and returned it to the municipal clerk with respect to that election.

Finally, the bill prohibits the appointment of any poll worker who is an employee of any of the following:

1. A candidate committee, legislative campaign committee, political action committee, independent expenditure committee, political party, recall committee, or referendum committee, as those terms are defined by law.

2. A political organization required to register with the federal elections commission.

3. An issue advocacy group.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 7.30 (3) (a) of the statutes is amended to read:

2 7.30 (3) (a) Not less than 30 days before any election the governing body or
3 board of election commissioners of any municipality, by resolution, may authorize
4 the municipal clerk or executive director of the board of election commissioners to
5 select and employ tabulators for any election. Such authorization applies to the
6 elections specified in the resolution, and if not specified, applies until the
7 authorization is modified or revoked. Each tabulator shall sign the official oath and
8 return it to the municipal clerk before the election.

9 **SECTION 2.** 7.30 (7) of the statutes is created to read:

10 7.30 (7) PROHIBITED EMPLOYMENT. (a) In this subsection:

11 1. "Committee" has the meaning given in s. 11.0101 (6).

12 2. "Issue advocacy" means communication that provides information about
13 political or social issues and is made to influence the outcome of an election.

BILL

1 3. “Issue advocacy group” means any organization whose sole or primary
2 purpose is to engage in issue advocacy.

3 (b) No person who is an employee of any of the following may be appointed as
4 an election official:

5 1. A committee.

6 2. A political organization required to register with the federal elections
7 commission.

8 3. An issue advocacy group.

9 **SECTION 3.** 12.085 of the statutes is created to read:

10 **12.085 Private resources for election administration. (1) DEFINITIONS.**

11 In this section:

12 (a) “Election administration” means preparing for, facilitating, conducting, or
13 administering an election.

14 (b) “Private resources” means moneys, equipment, materials, or personnel
15 provided by any individual or nongovernmental entity, but does not include
16 employees receiving paid leave to act as tabulators or election officials.

17 **(2) BAN ON PRIVATE RESOURCES FOR ELECTION ADMINISTRATION.** No official or agent
18 of a county or municipality may apply for or accept any donation or grant of private
19 resources for purposes of election administration, except as expressly authorized
20 under chs. 5 to 12.

21 **(3) COMMISSION ACCEPTANCE OF PRIVATE MONEYS FOR ELECTION ADMINISTRATION.**

22 If the commission accepts a donation or grant of moneys from an individual or

2021 BILL

1 **AN ACT** *to amend* 6.86 (1) (a) 1., 6.87 (4) (b) 1. and 12.60 (1) (a); and *to create*
2 6.856 and 12.13 (3) (md) of the statutes; **relating to:** the secure delivery of
3 absentee ballots and providing a penalty.

Analysis by the Legislative Reference Bureau

This bill makes a number of changes related to obtaining and returning absentee ballots.

Current law provides that a voter may make a written application to the municipal clerk to obtain an absentee ballot by mail, in person at the clerk's office or at an alternate absentee ballot site, by an agent for a hospitalized voter, by delivering an application to a special voting deputy, or electronically. This bill also allows a voter to use a for-profit commercial delivery service that moves parcels nationally and internationally to return an absentee ballot application.

Current law requires that an absentee ballot be returned by mail or in person to the municipal clerk. Under the bill, an absentee ballot must be returned by mail or by the voter, a member of the voter's immediate family, or the voter's legal guardian to the office of the municipal clerk; to the municipal clerk at an alternate absentee ballot site; to the site of a collection event; or to the voter's polling place on election day. If the voter is unable to deliver the absentee ballot and has no legal guardian or immediate family residing in this state, the voter may designate, in writing, one person who is a registered voter in this state to deliver the ballot, except that the voter may not designate a candidate on the ballot nor compensate the person to deliver the ballot. No person designated to deliver a ballot may deliver more than

BILL

one ballot for any election for a person who is not a member of the person's immediate family.

The bill allows a municipality to designate a site other than the municipal clerk's office as a location for a voter to return his or her completed absentee ballot. Unlike an alternate absentee ballot site under current law, a site designated for the collection of completed absentee ballots may not be used by a voter to make a request for and vote by absentee ballot. However, similar to an alternate absentee ballot site, a designated collection site must be located as near as practicable to the office of the municipal clerk. In addition, like an alternate absentee ballot site, a collection site must be staffed by the municipal clerk or employees of the clerk and be accessible to all individuals with disabilities. Under the bill, a voter may return his or her completed absentee ballot to a collection site only during the period that coincides with the period for making applications for in person absentee ballots. That period begins no earlier than 14 days preceding an election and ends no later than the Sunday preceding that election.

Finally, the bill prohibits a person from obtaining a marked absentee ballot from another person in order to deliver it to the municipal clerk or polling place, unless the person obtaining the ballot is a member of the voter's immediate family or the voter's legal guardian. A person who violates this prohibition is guilty of a Class I felony.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 6.856 of the statutes is created to read:

2 **6.856 Collection events.** The governing body of a municipality may elect to
3 designate a site other than the office of the municipal clerk or board of election
4 commissioners as a location for an elector to deliver his or her completed absentee
5 ballot. The designated site shall be located as near as practicable to the office of the
6 municipal clerk or board of election commissioners and no site may be designated
7 that affords an advantage to any political party. No site designated under this
8 subsection may be used by an elector to make a request for and vote by absentee

BILL

1 ballot. The designated site shall be staffed by the municipal clerk or the executive
2 director of the board of election commissioners, or employees of the clerk or the board
3 of election commissioners, and shall be accessible to all individuals with disabilities.
4 An elector may deliver his or her completed absentee ballot to a location designated
5 under this subsection only during the period for making in-person applications for
6 an absentee ballot under s. 6.86 (1) (b). A person may observe the proceedings at a
7 location designated under this subsection as provided in s. 7.41.

8 **SECTION 2.** 6.86 (1) (a) 1. of the statutes is amended to read:

9 6.86 (1) (a) 1. By mail or by a for-profit commercial delivery service moving
10 parcels nationally and internationally.

11 **SECTION 3.** 6.87 (4) (b) 1. of the statutes is amended to read:

12 6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, an elector voting
13 absentee, other than a military elector or an overseas elector, shall make and
14 subscribe to the certification before one witness who is an adult U.S. citizen. A
15 military elector or an overseas elector voting absentee, regardless of whether the
16 elector qualifies as a resident of this state under s. 6.10, shall make and subscribe
17 to the certification before one witness who is an adult but who need not be a U.S.
18 citizen. The absent elector, in the presence of the witness, shall mark the ballot in
19 a manner that will not disclose how the elector's vote is cast. The elector shall then,
20 still in the presence of the witness, fold the ballots so each is separate and so that the
21 elector conceals the markings thereon and deposit them in the proper envelope. If
22 a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that
23 the elector conceals the markings thereon and deposit the ballot in the proper
24 envelope. If proof of residence under s. 6.34 is required and the document enclosed
25 by the elector under this subdivision does not constitute proof of residence under s.

BILL**SECTION 3**

1 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope.
2 Except as provided in s. 6.34 (2m), proof of residence is required if the elector is not
3 a military elector or an overseas elector and the elector registered by mail or by
4 electronic application and has not voted in an election in this state. If the elector
5 requested a ballot by means of facsimile transmission or electronic mail under s. 6.86
6 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an
7 original signature of the elector. The elector may receive assistance under sub. (5).
8 The return envelope shall then be sealed. The witness may not be a candidate. The
9 envelope shall be mailed by the elector, or delivered ~~in person,~~ by the elector, a
10 member of the elector's immediate family, or the elector's legal guardian to the office
11 of the municipal clerk issuing the ballot or ballots; to the municipal clerk at an
12 alternate absentee ballot site under s. 6.855; to the site of a collection event under
13 s. 6.856; or to the elector's polling place on election day. If the elector is unable to
14 deliver the return envelope and has no legal guardian or immediate family residing
15 in this state, the elector may designate, in writing, one person who is registered to
16 vote in this state to deliver the return envelope as provided in this subdivision, except
17 that the elector may not designate a candidate on the ballot nor compensate the
18 person to deliver the envelope. No person designated to deliver a return envelope
19 may deliver more than one envelope for any election for a person who is not a member
20 of the person's immediate family. If the envelope is mailed from a location outside
21 the United States, the elector shall affix sufficient postage unless the ballot qualifies
22 for delivery free of postage under federal law. Failure to return an unused ballot in
23 a primary does not invalidate the ballot on which the elector's votes are cast. Return

5 12.13 (3) (md) Obtain a marked absentee ballot from another person in order

Analysis by the Legislative Reference Bureau

Current law requires the Elections Commission to permit inspection of records that are distributed or discussed during a meeting or hearing by the commission in open session. This bill requires the commission also to post on its Internet site the minutes of each of its meetings and hearings no later than 24 hours after the completion of the meeting or hearing. 2021 BILL

1 **AN ACT** *to amend* 6.875 (6) (c) 2. and 12.60 (1) (a); and *to create* 12.13 (3m) of
2 the statutes; **relating to:** absentee voting in certain residential care facilities
3 and retirement homes and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, a municipal clerk is required, under certain circumstances, to dispatch special voting deputies to a residential care facility or qualified retirement home so that the occupants of the facility or home may cast an absentee ballot in person with the special voting deputies rather than vote in person at the appropriate polling place or request and complete an absentee ballot by mail. Under current law, a retirement home is a facility occupied as a primary residence by 10 or more unrelated individuals. A qualified retirement home is a retirement home that has a significant number of occupants who lack adequate transportation to the polling place, need assistance in voting, are aged 60 or over, or are indefinitely confined.

Under current law, the special voting deputies must arrange with the administrator of the qualified retirement home or residential care facility one or more convenient times to visit the home or facility. The administrator of the home or facility may, upon the request of a relative of an occupant of the home or facility notify the relative of the time or times at which special voting deputies will conduct absentee voting at the home or facility.

This bill requires the administrator to provide notice of the dates and times when the deputies will be visiting the home or facility to the relatives for whom the

BILL

home or facility has contact information for each occupant who intends to vote by absentee ballot with the special voting deputies.

The bill also provides that an employee of a qualified retirement home or residential care facility who influences an occupant of the home or facility to apply for or not apply for an absentee ballot or cast or refrain from casting a ballot or influences an occupant's decision for whom to cast a ballot is guilty of the Class I felony.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Analysis by the Legislative Reference Bureau

ABSENTEE BALLOTS

This bill makes a number of changes to the laws relating to absentee ballots in Wisconsin.

1. Applications for absentee ballots

Subject to an exception for certain voters at residential care facilities and qualified retirement homes, current law prohibits a municipal clerk from issuing an absentee ballot to a voter, including in person at the municipal clerk's office, unless the voter submits a written application for the absentee ballot. Current law does not prescribe a specific form of written application for requesting absentee ballots.

BILL

The bill requires the Elections Commission to prescribe the form and instructions of the absentee ballot application. The bill also requires the absentee ballot application to be separate and distinct from the certificate envelope in which voters must seal and submit absentee ballots, the outer portion of which includes certifications of both the voter and a witness. Additionally, the bill requires that the application require the voter to certify facts establishing that he or she is eligible to vote in the election and must include at least all of the following information:

- a. The voter's municipality and county of residence.
- b. The voter's name, date of birth, and contact information, including as applicable the voter's telephone number, fax number, and e-mail address.
- c. The street address of the voter's legal voting residence.
- d. The election at which the voter intends to vote absentee.
- e. Whether the voter is a military or overseas voter.
- f. The voter's confidential identification serial number if the voter has obtained a confidential listing for purposes of voting.
- g. The lawful method by which the voter prefers to receive the absentee ballot.
- h. Whether the voter is a hospitalized voter.

The bill provides that any municipal clerk issuing an absentee ballot without having received a completed application on the form prescribed by the Elections Commission under the bill that contains the voter's original written signature, a copy of the voter's original written signature if transmitted by facsimile transmission, or the voter's electronic signature if submitted in Portable Document Format (PDF) by e-mail, or the signature of a person authorized by law to sign on the elector's behalf, is subject to a Class I felony, which is punishable by a fine not to exceed \$10,000 or imprisonment not to exceed three years and six months, or both.

2. Automatic receipt of absentee ballots

Current law allows the following voters to receive absentee ballots automatically for each election for specified periods:

- a. Indefinitely confined voters. Current law allows a voter who identifies himself or herself as indefinitely confined because of age, physical illness, infirmity, or disability to have, by signing a statement to that effect, an absentee ballot sent to the voter automatically every election. If an indefinitely confined voter fails to vote in an election, the municipal clerk must remove the voter from the indefinitely confined list if the voter does not renew his or her indefinitely confined status after 30-days' notice. Additionally, the clerk must remove a voter from the list if the clerk receives reliable information indicating the voter is no longer indefinitely confined.
- b. Overseas voters. Certain overseas voters registered to vote in Wisconsin may apply for automatic receipt of absentee ballots for all national elections occurring during the year of application.
- c. Military voters. Service members who are on active duty and as a result are absent from their residence in Wisconsin may apply for automatic receipt of absentee ballots for all elections occurring during the year of application, or as otherwise requested by the service member.

BILL

d. All other voters. Any other voter eligible to vote absentee in Wisconsin may apply for automatic receipt of absentee ballots for all elections occurring in the voter's municipality during the year of application.

The bill eliminates the option for indefinitely confined voters, overseas voters, and all other voters, other than military voters, to receive an absentee ballot automatically for any election. However, the bill authorizes indefinitely confined voters to request and receive absentee ballot applications, rather than absentee ballots, automatically for each election. Active duty service members may continue to request automatic receipt of absentee ballots as provided under current law.

3. Photo ID requirements for absentee voters

Current law requires most voters applying to vote absentee in an election to submit proof of identification, such as a driver's license, with their absentee ballot application. The municipal clerk must verify that the name on the proof of identification conforms to the name on the voter's absentee ballot application. However, current law exempts from that proof of identification requirement certain indefinitely confined voters, as described above; overseas voters; and voters who received an absentee ballot from the municipal clerk by mail for a previous election, had provided proof of identification with that ballot, and had not changed their name or address since providing that proof of identification.

This bill eliminates those three exemptions. The bill leaves in place all of the following exemptions under current law:

a. Active duty military voters are exempt from having to submit proof of identification with the absentee ballot application.

b. Certain individuals who are the victims of domestic abuse, sexual assault, or stalking may obtain a confidential listing and keep their identities private for purposes of voting. If an individual applies and qualifies for a confidential listing, he or she is issued a unique identification serial number by the Elections Commission. When applying for an absentee ballot, an individual who has obtained a confidential listing may submit that unique identification serial number in lieu of providing proof of identification.

c. Residents of residential care facilities or qualified retirement homes who, in lieu of providing a copy of proof of identification with their absentee ballot, may submit a statement signed by special voting deputies, or by others if no special voting deputies are available, that includes certain information and certifications required by law.

d. An individual whose driver's license is revoked and who has been required to surrender his or her license within 60 days before an election may enclose a copy of the citation or notice in lieu of submitting his or her driver's license for purposes of applying for an absentee ballot.

4. Unsolicited mailing or transmission of absentee ballot applications and absentee ballots

The bill prohibits any municipal or county clerk or municipal or county board of election commissioners, and any person acting on behalf of the Elections Commission, from sending or transmitting an absentee ballot application or an absentee ballot to a voter for purposes of voting in an election unless the voter applies

BILL

for the application or ballot as provided by law. Any person violating that prohibition is guilty of a Class I felony.

5. Notices concerning the canvass of absentee ballots

Under the bill, once the canvassing of absentee ballots begins with respect to any election, the municipal clerk must hourly post, at his or her office and on the Internet, a statement showing the number of absentee ballots that the clerk has mailed or transmitted to voters, the number of absentee ballots that have been returned to the clerk, the number of absentee ballots counted, and the number of absentee ballots remaining to be counted.

ELECTRONIC VOTER REGISTRATIONS

Under current law, an individual holding a valid driver's license or identification card issued by the Department of Transportation and who is eligible to vote in Wisconsin may register electronically. The Elections Commission maintains an Internet site that is used by voting-eligible individuals for purposes of electronic registration, currently titled MyVote Wisconsin. Current law requires the commission to provide a secure registration form on that Internet site that enables the individual to enter and update the information necessary for purposes of voter registration. Upon the voter's authorization, the commission obtains the individual's electronic signature from DOT for purposes of authenticating the information provided by the individual.

The bill requires the Elections Commission to maintain a version of the completed application, including the voter's electronic signature, in PDF. The commission must make the PDF version of the completed application available to the municipal clerk or board of election commissioners of the municipality where the voter resides.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

6 6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, an elector voting

2 sub. (5). The return envelope shall then be sealed. The witness may not be a
3 candidate. The envelope shall be mailed by the elector, or delivered in person, to the
4 municipal clerk issuing the ballot or ballots. If the envelope is mailed from a location
5 outside the United States, the elector shall affix sufficient postage unless the ballot
6 qualifies for delivery free of postage under federal law. Failure to return an unused
7 ballot in a primary does not invalidate the ballot on which the elector's votes are cast.
8 Return of more than one marked ballot in a primary or return of a ballot prepared
9 under s. 5.655 or a ballot used with an electronic voting system in a primary which
10 is marked for candidates of more than one party invalidates all votes cast by the
