Subject: Waupun Correctional Institution - Information Related to the Death of Donald Maier #279542

Sarah,

The [REDACTED] and Dodge County Detective have just left the institution after completing their examination of the scene where Donald Maier #279542 was found to be deceased. The preliminary review indicates that there were no external injuries that appeared self-inflicted that would be considered as having contributed to his death. An [REDACTED] and [REDACTED] will be necessary to determine a preliminary and final cause of death.

Randy
