Retired from MFD in 2005

It would be my privilege and great honor to represent District 13 on the City Council.

I will keep residents informed with regularly scheduled IN PERSON neighborhood meetings. I will make sure the city does NOT exceed their budget. As a born and raised Madisionian and long time SOUTH SIDER I ensure you I will work hard to keep your taxes low. As alder I will do my best to keep our neighborhoods from being over developed by people who have no interest in living here only making profit on vulnerable properties.

Plans to redevelop our corridors along South Park St. and Regent ST. need intense scrutiny.

John Nolan Dr. improvements will affect the whole next generation.

Lets make sure it is done right. Our waters were severely compromised when it was originally built. Our neighborhood will be impacted by long term construction.

Residents need to have adequate representation on these projects.

As alder I will make sure we are as informed as we possibly can be well AHEAD of beginning any project.

PLEASE VOTE ROB LUTHER DISTRICT 13 ALDER.

Stay active and informed to keep the best neighborhood in the City, the 13th. THE BEST SIDE OF TOWN.
